750kWh of Electricity

Cost as of January 1, 2019

WINTER ENERGY EFFICIENCY TIPS

Supplied by the American Public Power Association.

1. TAKE ADVANTAGE OF HEAT FROM THE SUN

Open curtains on your south-facing windows during the day to allow sunlight to naturally heat your home, and close them at night to reduce the chill you may feel from cold windows.

2. COVER DRAFTY WINDOWS

Use a heavy-duty, clear plastic sheet on a frame or tape clear plastic film to the inside of drafty window frames during the cold winter months. Make sure the plastic is sealed tightly to the frame.

3. ADJUST THE TEMPERATURE

When you are home, set your thermostat as low as is comfortable. When you are asleep or out of the house, turn your thermostat down 5°-10° from your usual setting. This change could save you 10% a year on your electric bill.

4. REDUCE HEAT LOSS FROM THE FIREPLACE

Keep your fireplace damper closed unless a fire is burning. Keeping the damper open is like keeping a window wide open; it allows warm air to go right up the chimney. When you use the fireplace, reduce heat loss by closing doors leading into the room.

5. MAINTAIN YOUR HEATING SYSTEMS

Schedule service for your heating system and replace your filter as recommended by the manufacturer, usually every 2-3 months, or as needed.

WE ARE #COMMUNITYpowered

WHAT DO 49 MILLION PEOPLE ACROSS THE COUNTRY HAVE IN COMMON?
Their town is #CommunityPowered just like ours.

Shrewsbury is powered by a nonprofit, community-owned electric utility, run by people who live and work in our community.

Learn how Shrewsbury benefits from public power at www.WeAreCommunityPowered.com

Share the Warmth

SELCO is asking you to "Share the Warmth" with your neighbors who are having difficulty affording their electric bills this winter.

Fixed incomes, unemployment, illness and other economic problems make it difficult for some Shrewsbury families and senior citizens to afford even life's basic needs.

Please give generously using the envelope included in bills throughout November and December, or donate online by visiting SELCO.ShrewsburyMA.gov.

100% of donations go directly to Shrewsbury residents in need.
