Cost as of November 1, 2018

### SELCO Partners with C-SPAN for 50 Capitals Tour

C-SPAN'S Bus visited Shrewsbury High School on October 15th to provide students, teachers, community members, and elected officials demonstrations of C-SPAN's multi-platform public service resources.

Bus visitors engaged with the C-SPAN Bus crew and the onboard interactive tools to learn about the unique public service television network, C-SPAN's online presence, and C-SPAN Classroom's comprehensive educational resources. They also learned about C-SPAN's unique non-commercial, editorially balanced, non-biased coverage of public affairs and political events, and the cable industry's commitment to funding its operations.

In Shrewsbury, C-SPAN programming is provided by SELCO as a commercial-free public service and can be seen on **channel 23**, C-SPAN2 can be viewed on **channel 20**. C-SPAN can also be streamed online at **C-SPAN.org**.

Congressman **Jim McGovern** (left), Superintendent **Dr. Joseph Sawyer** (middle), and State Representative **Hannah Kane** (right), pose with Shrewsbury High School students during C-SPAN's 50 Capitals Tour.

### SELCO Awarded Community Compact IT Grant

Representative Hannah Kane (R-Shrewsbury) and Senator Michael Moore (D-Millbury), in collaboration with SELCO, announced that the Executive Office's Community Compact Cabinet has recently awarded SELCO a Community Compact Information Technology Grant.

First formed in 1908, SELCO is Shrewsbury's power utility and cable television company, and is responsible for administering an extensive common technological infrastructure across the Town's various divisions. The Community Compact Cabinet awarded SELCO \$111,689 to assist in the establishment of an integrated and unified security platform to protect the digital assets of Shrewsbury's municipal government, school system, fire and police departments and SELCO.

SELCO General Manager Michael Hale explained, "The grant benefits all SELCO, Town, and School operations. We share a single network which provides efficiencies and cost savings. This grant benefits the School Department budget, the Town Departments, and SELCO equally. The project is a great example of how collaboration can generate savings."

## SELCO Sponsors Annual Santa's Toy Chest

*Donate a NEW unwrapped toy to Santa's Toy Chest and get a FREE energy efficient light bulb courtesy of SELCO.*

St. Anne's Human Services distributes toys to local children during the holiday season through the Santa's Toy Chest program.

New unwrapped toys can be dropped off at the SELCO office during regular business hours from November 23rd through December 21st.

Join us in making this holiday season memorable for a local child in need. Gifts for children of all age groups are welcome.

## Share the Warmth

SELCO is asking you to "Share the Warmth" with your neighbors who are having difficulty affording their electric bills this winter.

Fixed incomes, unemployment, illness and other economic problems make it difficult for some Shrewsbury families and senior citizens to afford even life's basic needs.

Please give generously using the envelope included in bills throughout November and December, by clicking the "Donate to Share the Warmth" link on [www.SELCOEZpay.com](http://www.SELCOEZpay.com), or by visiting [SELCO.ShrewsburyMA.gov/SharetheWarmth](http://SELCO.ShrewsburyMA.gov/SharetheWarmth).

100% of donations go directly to Shrewsbury residents in need.

# NOTICE

SELCO needs room to work safely on green transformer cabinets. Please keep shrubs and structures 10 feet away from the front side with doors and 3 feet away from all other sides.

Obstructions may be damaged or removed during service restoration or maintenance.
