WiFi Thermostat Rebates Now Available

A smart thermostat is a Wi-Fi enabled device that automatically adjusts heating and cooling temperature settings in your home for optimal performance.

Smart thermostats that earn the ENERGY STAR label have been independently certified, based on actual field data, to deliver energy savings.

SELCO customers can receive a rebate up to \$125 on eligible Smart WiFi thermostats. Learn more at www.goo.gl/qDK32P

Energy Conservation Television Ads

Each spring, SELCO works with Floral Street School third grade students and Coolidge School fourth grade students to produce energy and water conservation public service announcements.

These ads will run on TV throughout the summer months on CNN, ESPN, HGTV, and Nickelodeon. Thank you to the students and teachers at Floral and Coolidge!

SELCO Annual Open House

Shrewsbury Public School fourth graders and students from St. Mary School, Al Hamara Academy, and Shrewsbury Montessori School attended the annual SELCO Open House field trip on May 18th. We taught more than 550 students about electric generation, transmission, distribution, conservation, and safety.

Students also learned about cable operations and enjoyed a visit with Shrewsbury Media Connection. Thank you to all SELCO employees for making this such a memorable experience!
